

A glimpse of our Proposed Corporate House

VISION: Envisioning the changing dynamics and focusing on Growth with Sustainability, At Pashupati, we strongly believe in Sustainable Growth as a part of our strategy for the future.

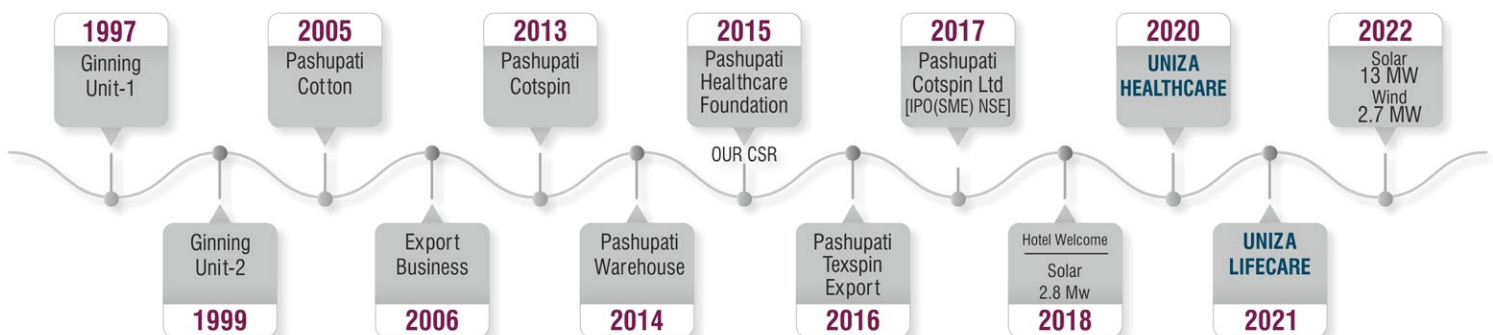

MISSION: To be an Altruistically Committed Enterprise for our valuable customers and follow the path of innovation, dedication, and honesty in business.

Pashupati group of companies have carved an admirable reputation in Textiles with diverse verticals enabling the concept of FARM to FABRIC. Since its inception in 1997, the business has gradually moved into forward integration, which includes Ginning, Oil mill, Spinning, TFO, and Weaving along with Sizing & Warping.

Pashupati Cotspin Ltd, the flagship company of the group is LISTED ON NSE. The group exports its products to 27 countries across the globe. The group's state-of-the-art warehouses are spread across 3,50,000sq.ft. and are pre-equipped to cater to manufacturing, assembly, storage, and logistical requirements. The group has invested in green initiative projects of 15.7 MW Solar and 2.7 MW Wind Energy totalling 18.4 MW. The Group is also in the Hospitality sector with hotel, restaurants, and banquets. In the year 2020, the group diversified into the pharmaceutical sector with the incorporation of **Uniza**.

Pashupati group believes in achieving environmental sustainability along with proficiency in business.

On the three aspects of **ESG**, When it comes to...

ENVIRONMENT: We **PARTICULARISE**

SOCIAL: We **PARTICIPATE**

GOVERNANCE: We are **PASSIONATE** about growth with **SUSTAINABILITY**

And that's what makes us **ACE! aᅇ (Altruistically Committed Enterprise)**

Fulfilling our ESG responsibility, we at Pashupati Group believe that our duty towards the environment is our topmost priority and for the same, several conservation measures are undertaken at our organization. The group has set up solar and hybrid wind-solar projects to produce over 33 million green units and reduce GHG emissions. The industrial waste generated in production units is treated carefully and cautiously so as to protect nature. We are committed to preserving and enriching our environment by complying with applicable environmental regulations and implementing appropriate technologies to minimize pollution.

CAPACITIES:

Pashupati group is engaged in several welfare initiatives through its CSR arm **Pashupati Healthcare Foundation**. The foundation has its cancer awareness and de-addiction campaign "AYUSH" which began on 18th July 2015. In the year 2021, the company pledged to provide scholarships to students who lost their fathers due to the covid-19 till High School Graduation. The group also extends its support to the people of Kadi by providing free mortuary van service at Kadi under the name of "Antimyatra Rath". Medical camps are regularly organized in the nearby villages for a primary health check-up.

Our duty is not only restricted to mankind but also to the flora and fauna around us. The group thus contributes toward afforestation measures and animal welfare under its "GauGir" initiative.

At Pashupati group, we truly believe that our employees are our strength and that their well-being is our responsibility. We provide facilities like free accommodation & primary medical facilities to staff and workers and educational facilities to staff and workers' children. Lunch is provided at our canteen to employees at no cost and as a part of our recreational activity, cricket and volleyball tournaments are organized regularly at the campus.

Pashupati Group strives to strictly adhere to the highest standards of corporate governance in the conduct of the business to enable transparent, ethical and responsible governance thus ensuring stake holder accountability and wealth creation.
